

Glory Johachim Minja

Form 1 2019

Birthday: Nov. 3, 2005

Favorite School Subjects: Science (Physics, chemistry, and biology).

Favorite Activities: Farming

Career goal: Doctor

Glory is an experienced farmer as she helps her grandmother plant maize (corn) and raise animals where they live in Masama. Glory's father died when she was very young, and her mother died in 2013. She also has a brother who is attending a University and a sister who is in form 3 in Masama. She also has another brother who died.

Glory reads the bible every day. She believes she has the gift of "gospel singing" and is choirmaster at church. When she graduates from New Dawn she plans to go to a University and become a doctor so that she can help those who cannot afford to be treated.
