

Janeth Mohamedi Saidi

Form 1 2019

Birthday: Oct 17, 2005

Favorite School Subjects: Physics, Chemistry, Biology

Favorite Activities: Agriculture

Career goal: Teacher

Both of Janeth's parents have passed away by the time she was 7 years old. She lives with her grandmother and aunt in Arusha. She has two younger brothers and a younger sister. She did well on her final primary exams and was hoping to get a watch from her grandmother. That when she learned she would be going to New Dawn and was thrilled.

Janeth was "born in the family of Roman Catholic" but attend Lutheran church when at New Dawn. She hopes to attend a University and become a University professor.
